And whereas, by mutual agreement, the parties hereto have agreed to modify the terms and conditions of the said Agreement dated the 25th July, 1977 and it has been decided to enter into a fresh Agreement as hereincontained, in supersession of the existing Agreement, dated the 25th July, 1977.

It is now agreed by and between the above parties as follows:

I. That the Reciprocal Agreement shall come into force on the 1st January 1978, and shall remain valid upto 31st March, 1980. It may be renewed for such further period as may be mutually agreed to by all the signatories to this Agreement. For reasons to be given in writing by any of the signatory States, this reciprocal agreement may be revoked on three months' notice. Such revocation shall, however, abridge and modify the operation of this agreement only in so far as it relates to the withdrawing State subject to the condition that permits already issued under this agreement will continue to be valid till the expiry of those permits irrespective of withdrawal by the State or States from this agreement.

II. The total number of vehicles for which composite permits shall be issued shall not exceed 200 for each of the States of Bihar, Haryana, Himachal Pradesh, Jammu and Kashmir, Punjab, Rajasthan, Uttar Pradesh, West Bengal, Chandigarh and Delhi. While the States of Jammu and Kashmir and Himachal Pradesh shall issue 200 permits, the number of outside vehicle from each State entering Jammu and Kashmir and Himachal Pradesh shall be limited to 100. The composite permits issued by the Competent Transport Authority of each signatory State shall be valid on all National and State Highways chosen for operation. A list of the National and State Highways in each signatory State is appended hereto as Annexure VI. The Competent Transport Authority shall also issue to each of such permit holders an authorisation in the form annexed to this agreement (Annexure I) and such authorisation shall correspond to the period for which the advance payment has been received provided that the authorisation at one time shall not exceed period of one year.

It shall, however, be open to any public carriers plying under such authorisation to deviate from the specified routes to the extent not exceeding 30 kms. on either side of the specified routes.

III. (i) Each applicant for a composite permit shall have to choose a minimum of four States, i.e., the Home State and any three other States out of the remaining nine for operation in effect from the date of its Agreement.

(ii) If a composite permit holder chooses to exclude a contiguous State for operation through which his vehicle must have to pass to reach any other State chosen for operation within the scheme, the holder of the permit shall have to pay full taxes to the "transit State".

(iii) A composite permit holder of a State shall be allowed to operate in any other State, separately covered under a bilateral agreement, but the same vehicle will not be allowed to be used both for the composite permit scheme as also the bilateral agreement scheme in the same State.

(iv) An option once exercised by a composite permit holder will not be allowed to be changed before a period of one year.

IV. A public carrier operating under this agreement shall be free to operate without restriction of routes in the Home State whereas while operating in any area outside the Home State such a public carrier shall not pick up or set down goods between any two points lying wholly within the jurisdiction of the reciprocating States, i.e. in such cases vehicles shall be prohibited from carrying any intra-State business.

V. A public carrier operating under this Agreement shall be subject to the following limitations and restrictions;—

(1) No vehicle may be authorised under this agreement which—

- (a) has an RLW less than 10,000 kgs. in the case of rigid chassis vehicle or a tractor trailer combination;
- (b) is more than two years old on the date of grant of authorisation and which is more than 7 years old at any time;
- (c) does not carry the prescribed markings and distinguishing particulars and is not painted in the prescribed colour scheme as provided in the Schedule annexed hereto (Annexure V);

(2) A public carrier plying under this agreement shall at all times carry a Bill of Lading in the form prescribed in the Schedule annexed (Annexure III). Carriage of goods not in conformity with the declaration in the Bill of Lading shall be construed as infringement of the condition of the permit making the permit holder liable under section 60 of the Motor Vehicles Act.

(3) Such vehicles shall conform to and comply with all provisions of the Motor Vehicles Act, as well as the provisions of the Motor Vehicles Rules framed by the Home State subject to such restrictions as may be imposed by the State Governments from time to time under the provisions of the Motor Vehicles Act, 1939.

In particular in the case of vehicle in hilly areas of Himachal Pradesh, Jammu and Kashmir, Uttar Pradesh, West Bengal etc., the operation will be subject to the load and other restrictions as may be imposed by the State Government concerned for any particular route/area. The Home State may make a suitable endorsement on the permit particularly in regard to the hilly State of Himachal Pradesh, Jammu and Kashmir and Uttar Pradesh etc., as necessary, that the heavier vehicles will not be allowed in the hilly region of these States.

- (4) The certificate of fitness of such a vehicle shall be liable to be suspended or cancelled by the competent authority of the Home State if it is found to be not in conformity with the provisions relating to fittings, colour and body specification as detailed in the Schedule annexed hereto (Annexure V).
- (5) Such a vehicle shall at all times carry a valid authorisation in the form as detailed in the Schedule annexed (Annexure I) hereto granted under this agreement and issued under the signature and seal of the Competent Transport Authority of the Home State.
- (6) Any authorisation holder plying under this agreement shall file a quarterly return in regard to such a vehicle in the form prescribed as detailed in the Schedule annexed (Annexure IV) hereto in quintuplicate to the Secretary of the State Transport Authority of the Home State who, in turn, shall furnish copies thereof to the Secretaries, State Transport Authorities of the other signatory States.

VI. A vehicle plying under authorisation issued under this special agreement may be stopped and inspected for the purpose of enforcement of the provisions of this agreement by an officer of the rank of Assistant Inspector of Motor Vehicles or Sub-Inspector of Police or any other officer whose rank is mutually agreed upon by the signatory States. Such an Inspecting Officer shall issue a check report in triplicate, one copy of which shall be served on the person in charge of the vehicle, the second copy shall be sent to the Competent Transport Authority of the Home State and the third copy sent to the Competent Transport Authority of the State concerned. The competent Transport Authority of the Home State, on receipt of the copy of the check report, may take such action as he may deem fit.

VII. (1) A composite permit holder plying under authorisation shall be liable to pay as under :—

- (a) Motor Vehicles Tax and the Goods Tax obtaining in the Home State.
- (b) A sum of Rs. 150/- per annum in lieu of taxes mentioned in clause (a) above to each of the Union territories of Chandigarh and Delhi in case it is opted for operation and a sum of Rs. 700/- per annum in lieu of taxes mentioned in clause (a) above to each of the remaining States of his option other than the Home State.

This sum shall be paid in advance by a Crossed Bank Draft before the 15th March every year (irrespective of the RLW and PLW of the vehicle). For this purpose, all the signatory States shall make suitable provisions in their taxation laws. Each signatory State shall designate a Competent Authority for the purpose of receiving the amount mentioned above on behalf of other States, which shall thereafter be transferred to the respective States. Such Competent Authority shall stamp and endorse the authorisation to that effect. Any vehicle plying under such an authorisation in the absence of such a valid endorsement shall be deemed to be plying in contravention of the condition of the permit and shall be liable to suspension and cancellation of the permit under section 60 of the Motor Vehicles Act.

The sum mentioned above will not be inclusive of Municipal levies such as Octroi etc. and composite permit holder will be liable to pay them separately.

(2) Notwithstanding that the amount is required to be paid for the whole in advance as per sub-clause (1) above, the owner of the vehicle may, at his option, pay it in two equal instalments, the first before the 15th March every year for the period April-September and the second instalment before the 15th September (of the current financial year) for the period October-March and obtain endorsement of having paid this tax from the Competent Authority of the Home State in certificate specified in Annexure II,

(3) If the vehicle covered by the authorisation is kept under non-use for a period/periods during the validity of the authorisation no refund of amount paid for that period/periods will be allowed.

(4) If the initial authorisation is granted at any time after the first quarter of the financial year, the tax shall be assessed on prorata basis for the remaining quarters of the financial year including the quarter in which the authorisation is granted. For the purpose, a quarter shall be taken as a unit and not months and days; provided that this relief shall not be admissible for subsequent authorisation.

(5) If the vehicle covered by the authorisation is sought to be replaced by another suitable vehicle after prior permission of the Authority which originally granted the permit, the registration mark of the replaced vehicle may be noted by the Home State Transport Authority in the authorisation and the tax already paid shall be deemed to have been paid for the replaced vehicle for the period following the date on which the vehicle is replaced.

(6) If an operator does not pay his composite tax within the prescribed period, he shall be liable to pay, in addition to the composite tax of Rs. 700/- an additional sum of Rs. 25 per month or part thereof for each of the States covered by the Scheme in respect of which payment is delayed and Rs. 5/- per month or part thereof for each of the States of Ghandigarh and Delhi. The said amount shall be payable through crossed bank draft in the name of the designated authority of the State concerned and shall be sent to the State concerned as and when received. The operator would also be required to pay any other penalty for delay in payment of Home State taxes that might be imposed by that State under its own rules.

VIII. The Competent Authority of the Home State shall receive the amount on behalf of the other state as the case may be, in the form of Crossed Bank Drafts. These drafts shall be made payable in the name of the designated authority of the State concerned and shall be sent by the Home State to the State concerned as and when received along with a statement showing the details of the vehicle number, bank draft number and date and amount, period for which paid, etc.

IX. (A) For the implementation of this agreement, the State Transport Authority or Regional Transport Authority as the case may be, of the Home State shall:—

issue composite permits for the inter-state route or routes or areas, as the case may be, covered by this reciprocal agreement for any four or more of the signatory States, such a composite permit holder shall have the benefit of rule framed under section 68 (2) (hh) read with section 63 (1) of the Motor Vehicles Act, 1939, referred to in para below; and the Competent Authority shall furnish copies of these composite permits (Part B only) to other signatory States within 30 days of issue.

(B) Further, all the signatory States frame a suitable rule under section 68 (2) (hh), read with section 63 (1) to provide that the composite permits so granted by any of the signatory States other than the Home State shall be valid without counter signatures in the areas of the Home State and the Secretary of the State Transport Authority or the Home State shall issue an authorisation in the form prescribed in the Schedule (Annexure I).

(C) Such composite permits shall be valid in all the signatory States other than the Home State on all the National and State Highways of each State as specified in the permit. A list of these Highways is annexed in the Schedule hereto. The composite permits shall also be valid on such other National Highways and the State Highways as may be notified from time to time by the Union Governments concerned and which endorsed on the permit.

X. In this agreement, the term "Home State" means the State in the territory of which the composite permit under section 56 has been granted and authorisation therefor is issued under this agreement.
